

Maruzen Pharmaceuticals Co., Ltd.  
Head of Public Relations, Emergency Response Headquarters

**Notice on Business Continuity Activities Following the Activation of the Business Continuity Plan (BCP)**  
*(First Report)*

Maruzen Pharmaceuticals Co., Ltd. (Head Office: Onomichi City, Hiroshima Prefecture) activated its Business Continuity Plan (BCP) in order to minimize damage caused by an explosion accident that occurred at the Miyoshi Factory at approximately 11:30 AM on April 28, 2026.

Accordingly, an Emergency Response Headquarters (Mr. Takenaka, Director) has been established at the Head Office, and we are currently conducting confirmation of the damage status while exerting all efforts toward various recovery activities necessary to maintain business continuity.

The specific status of business continuity activities at this time is as follows.

### 1. Status of Business Continuity Activities

**April 28, 1:00 PM** Activation of the BCP following the explosion accident at the Miyoshi Factory.  
**1:30 PM** Establishment of the Emergency Response Headquarters at the Head Office; damage assessment is underway.

### 2. Damage and Restoration Status

Facility	Status
Miyoshi Factory	Fire occurred at parts of tanks; external contract workers were injured

### 3. Anticipated Impact

Details will be disclosed once the extent of the damage has been fully confirmed.

### 4. Disclosure of Information on Business Continuity

Information regarding business continuity activities will be disclosed as appropriate on the Company's website:  
<https://www.maruzenpcy.co.jp/english/>

### 5. Contact Information for Inquiries
